

Dunlap to Head Scout Backers

William A. Dunlap of Gardena this week accepted chairmanship of the Boy Scout sustaining membership committee in Harbor district of the Los Angeles Area Council, according to Walter T. Jameson, district finance chairman.

Sustaining members help provide financial backing for the Boy Scout program.

Community leaders participating in the sustaining membership program include: Jim Rush, Gardena; Tom Mills, Gardena; Dr. Howard A. Wood, Torrance; Dick Slingerland, San Pedro; Hollis Brunskill, Wilmington; Linden H. Chandler, Lomita; Frank Van Acker, Jr., San Pedro; Robert Brown, Wilmington; Ken Nakaoka, Gardena; Wes Waldorf, Gardena; Fred Gledhill, Wilmington; Bill Pape, San Pedro; Harold Ezell, Wilmington; Al Gianni, Torrance; Dr. Joe Bay, Torrance and E. Seek Continued State Aid to School District

Torrance Unified School District this week sent letters to California legislators asking their support in seeing that changes are not made in formulas governing distribution of state and federal aid to school districts.

The local school board addressed letters to Assemblyman Vincent Thomas, Congressman Cecil King, and Sens. Thomas Kuchel and Clair Engle, urging maintenance of present formulas.

The California legislature currently is considering changing the state formula so that districts receiving a large amount of federal aid would receive proportionately less in state aid. Under the formula currently under discussion in the legislature, Torrance would lose approximately \$28,000 annually because of its federal aid, under Public Law 874.

Public Law 874 funds are given to districts which have a large number of students whose parents work in federally-connected, tax-exempt industries.
